

SOLVE ATHON

Do you have innovative solutions to coastal communities' resilience challenges?

Do you want to be part of the [MIT Solve Coastal Communities Challenge](#) and learn about the [\\$1M RISE Resilience Innovation Fund](#) for entrepreneurs passionate about developing resilience solutions in Hampton Roads?

If yes, join us for a Hampton Roads Solveathon organized by RISE, facilitated by MIT Solve, and supported by Old Dominion University. Participants will have the opportunity to form and reshape ideas, experiment and collaborate, and get access to subject matter experts and various datasets.

When: Thursday, May 31, 9am – 3pm

Where: Slover Library, 6th floor

Space is limited! [Register](#) by May 27th

Questions: katerinaoskarsson@riseresilience.org

Explore specific Challenge Topics and Use Cases around water management, data analytics, building viability, critical utility installation, and disconnected communities [HERE](#).
